

TD STYLE BUSHINGS

Each DDIN bushing is precision machined to work with a specific wire size. Used to remove aluminum stranding while leaving the steel core stranding untouched.

PART #	CIRCULAR MILLS / AWG	STRANDING	CODE WORD	WIRE TYPE
TD1604	1843	72/7		1.6 Compact
TD1605	2156	84/19	Bluebird	ACSR/ACSS
